## Complies with the requirements applicable to it

The manufacturer's technical documentation as required has been reviewed and found to comply with the requirements. Any significant changes in the design or construction of the product, not agreed upon by us, this declaration will lose its validity.

## This certificate is issued under the following conditions:

1. It applies only to the quality system maintained in the manufacture of above referenced models and it does not substitute the design or type-examination procedures, if requested.
2. The certificate remains valid until the manufacturing conditions with applicable EN requirement or the quality systems are changed.
3. The certificate validity is conditioned by positive results or surveillance audits annually.
4. After fulfilling the relevant EU legislation and EN Requirement, the manufacturer shall affix to each device, of the referenced models.
5. The EN Certificate as shown above can be used, under the responsibility of the manufacturer, after completion of an EC Declaration of conformity and compliance with all relevant EC Directives. The statement is based on a single evaluation of one random sample of above mentioned products. It does not imply an assessment of the whole production.
